### ***DCP-8080DN***

## **High-Performance Laser Multi-Function Copier with Networking and Duplex Printing**

The DCP-8080DN is a high-performance digital copier and laser printer that is ideal for businesses or small workgroups. It offers fast print and copy speeds, high-quality output, and an automatic duplex capability for printing two-sided documents.

This machine is an excellent standalone copier for quick, walk-up copying and scanning, no PC required. It offers several useful copying features including: one-touch copy and scan keys, reduce/enlarge from 25% to 400%, sorting, and N-in-1 for copying multiple pages onto one page.

It also offers flexible connectivity via Ethernet, Hi-Speed USB 2.0 and Parallel interfaces and compatibility with virtually any software application via PCL6 and BR-Script3<sup>®</sup> emulations.

Additionally, a USB Direct Interface allows you to print from or scan to your USB flash memory drive. For lower running costs, a high-yield 8,000-page toner cartridge<sup>‡</sup> is available.
